

RGS2

20L BACKPACK RGS2

The perfect solution for storing all types of equipment, this versatile bag seamlessly accommodates harnesses, lanyards, and other accessories.

Its lightweight design and ideal size are complemented by mesh padded shoulder straps and back for enhanced comfort.

The main pocket opens fully for easy packing and access to equipment. The bag also features a separate front pocket as well as smaller internal compartments for additional storage.

Crafted from recycled polyester, it aligns with the sustainability goals of RIDGEGEAR.

- Extra mesh padding
- Small storage compartments inside main pocket
- Separate front pocket
