

RGK15

12MM STEEL TRIPLE ACTION KARABINER RGK15

This strong and extra safe karabiner is provided with a triple action keeper which locks automatically.

It can be fitted to most lanyard types where additional safety is preferred. The RGK15 also benefits from the option of fitting a captive pin allowing permanent fixture to the lanyard. The gate is extra strong as required by ANSI standards

EN 362:2004
