RTLE4

ELASTIC TWIN LEG TOOL LANYARD WITH CHOKER LOOP

The RTLE4 is an elasticated twin tool lanyard with choke loops for tool attachment. It is suitable for tools up to 5kg in weight.

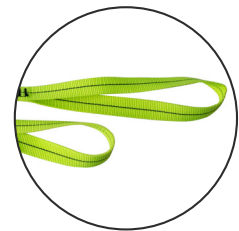

The elastic range of lanyards is the next step in tool arrest, allowing the user greater flexibility and usability. These are all made from our high quality 20mm elasticated webbing. The benefit of using elasticated webbing is less slack, reducing any trip or snag hazards and keeping all your equipment closer to your body while also offering basic shock absorption.

Web material: 20mm elasticated polyester

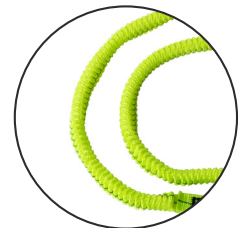

Length: 0.60m (extending to 1.25m) x2

Webbing strength: >1000kg

Tool attachment: 190mm choke loop x2
