RTLW3

D-RING TOOL CONNECTORS (PACK OF 5) FOR USE WITH RTLX1

The RTLW3 is a flat webbing connector with a D-ring which can be used in conjunction with a Tool Tie (RTLX1-2) and/or one of our small karabiners (RTLX1-3).

Just one of our comprehensive range of connectors which make connecting your new or existing tools to our tool lanyards safe and easy, whatever the method.

Length: 70mm

Web material: 20mm water repellent polyester

Attachment type: Flat loop with D ring

D ring
